

Harness VOLT, Petzl

Product information

Fall-arrest and work positioning harness with attachment point for vertical progression on rail or cable-based fall protection system.

The VOLT fall-arrest and work positioning harness is very quick to don, thanks to the FAST LT PLUS and FAST LT buckles that allow it to be donned with both feet on the ground. The wide, semi-rigid waistbelt and leg loops provide excellent support. Its lightweight, breathable construction maximizes air flow. Its LADDER CLIMB attachment point allows for ventral attachment of the fall-arrest trolley, providing optimal comfort during progression. It is certified to European and Russian standards.

Material: Nylon, polyester, aluminum, steel

Marking: According to standard, CE-marked, UKCA-marked

Standard: EN 358, EN 361, EN 813
