Tool pouch TOOLBAG Petzl

Product information

The TOOLBAG tool pouch allows you to store tools. The opening and closure system is easy to use with one hand. It can be connected to the harness using the INTERFAST accessory, reducing bulk on the harness and making the pouch more accessible. It is durably constructed and can be used on a daily basis without worrying about wear.

Available in three sizes:

- TOOLBAG 1.5 for small tools and fasteners
- TOOLBAG 3 for tools
- TOOLBAG 6 for large number of tools

Durable construction for regular to intensive use:

- TPU material is resistant to UV exposure, oil, grease, and high and low temperatures
- Waterproof tarp material and water repellent fabric
