

Transport Bag DUFFEL 65, Petzl

Product information

Medium-capacity transport bag.

Designed to be carried in multiple ways, DUFFEL 65 is a convenient, ergonomic bag with a volume of 65 liters. The back and shoulder straps are padded for comfort when used as a backpack. Versatile, it can be carried in multiple ways with removable shoulder straps.

- Ergonomic and comfortable
 - Padded back and shoulder straps for comfortable carrying
 - Two carry options: as a backpack or over the shoulder
 - Four compression straps to optimize bag volume and to reduce shifting of equipment during transport
 - Rapid buckles allow the shoulder straps to be completely removed
- Easy access to equipment:
 - Large D-shaped opening for easy equipment organization
 - Two pockets (one with a key clip) in the inner flap to organize documents and personal items
 - Large side pocket with zipper closure to separate the helmet, shoes, or other objects from the rest of the equipment
 - Transparent area for quick and easy identification of the bag
 - Four webbing handles around the bag for easy handling on all sides
 - Eight equipment loops inside the bag
 - Able to lock zippers with a padlock
- Excellent durability for intensive use:
 - High-strength TPU (PVC-free) tarp material for regular to intensive use; it is resistant to UV exposure (doesn't fade), to oil, grease, and high and low temperatures, chlorine-free (no odor), and recyclable
 - Black bottom and sides are welded for abrasion and tear resistance
 - Shoulder straps with steel attachment buckles with anti-corrosion treatment

Recommended Working Load: 25 kg

Maximum Load: 50 kg

Material: TPU (PVC-free), Polypropylene, Steel, Nylon.
