

## Wall Jib Crane Underbraced, Hollow Section 180° PMICL

### Product information

The jib crane PMICL is reserved for an indoor use and built with a hollow section, PMICL allows 180° rotation. This jib crane cannot be motorized.

Intended to be equipped with a manual or electric hoist, this model has a great versatility with his trolley hoist mounted on plastic rollers. The PMICL are delivered with standard mounting brackets and our mounting kits KITFIX (optional) ensure safe anchorages for specific supports.

### Options

- Lockable main switch
- Standpipe
