Backpack TRANSPORT 30 Petzl

Product information

Designed for regular to intensive use, TRANSPORT 30 is a comfortable and durable pack. The back panel and shoulder straps are padded with thermoformed foam to optimize comfort, even when carrying heavy loads.

It is constructed with high-strength TPU tarp material to withstand intensive use without premature wear.

With a practical, freestanding design, it can also be hauled, hung open at a workstation, or carried using one of the three durable handles.
