

Lifters flexible Coupling Starcon

Product information

The Starcon Lifting Eye is a special steel component made for concrete casting. The spherical claw grips on to the head below the Starcon head anchor. The Starcon lifting eye has been tensile tested with 2 times of the safe load. All test results will be reported. Unique certificates are made for each delivery.

Material: Special alloy steel

Marking: According to standard, Load group, STARCON, batch code, CE

Temperature range: 200°C

Finish: Electrogalvanized

Standard: CEN/TR 15728 - VDI/BV-BS 6205

Safety factor: 4:1

Part Code	Load grp.	L mm	A mm	B mm	C mm	D mm	H mm	Delivery time
