Lifebuoy Light Daniamant L90 LED

Product information

The Latest L90 LED from Daniamant replaces the popular L90 with updated LED technology. This new version uses modern technology making it safer for the environment, especially during disposal. The L90 LED meets all the latest legislation whilst retaining the previous popular form, so no new brackets or fixings are required to replace the older models installed on vessels.

- White flashing LED light.
- Light duration: 2 hours minimum.
- Drop height: 76 metres.
- Battery type: Alkaline.

In compliance with SOLAS/MED/USCG/TC.
