

Rope AXIS 11 mm, Petzl

Product information

The AXIS 11 mm low stretch kernmantel rope is designed for work at height. The standard diameter ensures a good grip for easier handling. The EverFlex technology guarantees great flexibility and consistent performance over time. Rope available in six colors and four lengths.

- Standard diameter ensures a good grip for easier handling
- Consistent performance over time:
 - Construction with nylon core and polyester sheath, with specific weave
 - EverFlex technology ensures great flexibility over time and under any conditions (water, dust, mud...), allowing it to maintain excellent handling and optimal performance with devices
- Available in six colors: white, yellow, black, blue, red and orange
- Standard lengths: 50, 100, 200 and 500 m
- Customization on request:
 - Option of ordering a rope of a specified length (up to 700 mtr)
 - Addition of sewn terminations manufactured on one or both ends, providing a ready-to-use rope. These terminations have a protective sheath that keeps the connector in position and facilitates handling. They are also stronger than a figure-eight knot

Material: Polyester, Nylon

Marking: According to standard, CE-marked, UKCA-marked

Standard: EN 1891-A
