Safety Helmet VERTEX Petzl

Product information

The VERTEX helmet is very comfortable for work at height and on the ground thanks to the adjustable-strength DUAL chinstrap.

Six-point textile suspension and CENTERFIT and FLIP&FIT systems is a guarantee that the helmet fits securely on the head. Comes with interchangeable standard comfort foam. The unventilated outer shell protects against electrical hazards, molten metal splash and flames.

Modular accesories (not included): eye shield, Petzl headlamp, helmet protector, nape protector, nametag holder, hearing protection

... *Read more*

Material: ABS (acrylonitrile butadiene styrene), nylon, polycarbonate, high-strength polyester, polyethylene
Marking: According to standard, CE-marked
Standard: EN 397, EN 12492
Note: Meets all requirements of the EN 12492 standard, except the ventilation requirement.
