Safety Helmet VERTEX VENT

Product information

The VERTEX VENT helmet is very comfortable for work at height and on the ground thanks to the adjustable-strength DUAL chinstrap.
Six-point textile suspension and CENTERFIT and FLIP&FIT systems is a guarantee that the helmet fits securely on the head. Comes with interchangeable standard comfort foam. It has ventilation holes with sliding shutters to allow airflow through the helmet

Modular accesories (not included): eye shield, Petzl headlamp, helmet protector, nape protector, nametag holder, hearing protection

... *Read more*
