

# Headlamp TIKKA®, Petzl

## Product information

Compact and lightweight headlamp with brightness 350 lumens. Uniform and comfortable proximity lighting.

### Features:

- Wide, uniform beam so you can comfortably see up-close or around your feet
- Three white lighting levels: MAX BURN TIME, STANDARD (better power/burn time balance) and MAX POWER
- Continuous red lighting to preserve night vision without blinding those around you, and strobe to signal your location, especially in emergency situations

### Easy to use:

- Single button for quick and easy selection of brightness or light color
- Plate allows you to easily tilt the lamp up or down and wear it around the neck
- Battery charge indicator shows the battery level each time lamp is turned on or off
- Useful phosphorescent reflector for locating the lamp in the dark
- LOCK function prevents the lamp from turning on during transit or storage
- Adjustable headband is symmetrical to more easily adjust the fit, plus it's made entirely from recycled materials and can be removed, washed, and replaced
- Storage pouch has an eco-friendly design and can transform headlamp into a lantern
- HYBRID CONCEPT design: the TIKKA comes with three AAA/LR03 batteries and also works with the CORE rechargeable battery (not included); it automatically detects the energy source and adjusts lighting performance
- Compatible with the HELMET ADAPT, so you can attach the lamp to a variety of helmet types.

**Brightness:** 350 lumens (ANSI/PLATO FL 1)

**Beam pattern:** Wide

**Energy:** 3 AAA/LR03 batteries (included) or CORE rechargeable battery (available as accessory)
