Backpack TRANSPORT 60 Petzl

Product information

Designed for regular to intensive use, TRANSPORT 60 is a comfortable and durable pack. The back panel, shoulder straps, and waistbelt are padded with thermoformed foam to optimize comfort, even when carrying heavy loads. It is constructed with high-strength TPU tarp material to withstand intensive use without premature wear. With a practical, freestanding design, it can also be hauled, hung open at a workstation, or carried using one of the three durable handles.

Made with TPU tarp material, it’s designed to withstand regular to intensive use
