

## Polyform All Purpose Buoys A-Series

### Product information

**General:** Produced from the best marine grade vinyl material. The solid and multiple rib-reinforced ropeholds guarantee the highest breaking strength available. The buoys are designed to stand up to the most demanding use in commercial fishing, aquaculture and for general marking and flotation applications of larger crafts and yachts.

| Part Code      | Code    | Diameter mm | Length mm | Dia Eye mm | Buoyancy kg | Weight kg | Delivery time |
